

## **Adding your photo to the website member directory**

Visual Pursuits provides the capability for members to add a small image of themselves called an avatar. The following describes the procedure:

- Logon to the website and in the **My Account** menu, choose **My Account Settings**.
- Click on **Change Avatar Image**.
- Look for the **Select** button to choose the image from your computer to upload. Note, there are further instructions on this page and specifications on image size.
- Make sure you click on **Save Uploaded Image** before leaving the page.
