

**2020-2021 PRINT COMPETITIONS:** Special arrangements have to be made for Print Competitions. Here are the rules and procedures for the first competition. Updates on these will follow for each Print Competition:

**September 16, 2020 – Color Prints – Judge/Commentator: Mike Jeffries**

The following procedures will be implemented for the first print competition on September 16, 2020 (**NOTE the change in requirements when jpgs and prints must be submitted**):

- jpg of the print must be submitted no later than midnight on the Wednesday, September 9<sup>th</sup>.
- The print itself must be turned in between 6:00 – 7:00 p.m. on Thursday, September 10<sup>th</sup> at: **Caring Solutions, 1852 Craig Park Court, St Louis, 63146**
- The upper left corner on the back of the print must have:
  - Print Title
  - St Louis Camera Club ID (**NOT** your name). Your ID can be found by going into your account on our website under **My Account, MY Account Setting**.
  - Class (B, A, or Salon)

A label with this information can be created when you submit your image on the website. Right below the **Upload Images into the Competition** button is one that says **Print Labels for Print Submissions**. Clicking on that will take you to a new window where you should UNcheck the Display Author Name box.

- After they are sorted by the print chairs, the judge will take the prints home to judge and place.
- The night of our online meeting, September 16<sup>th</sup>, the judge will comment on the prints while club members view the jpegs and hear the comments via ZOOM (Instructions will follow).
- The prints will be returned on the turn-in date for our next print competition.
